

Sponsorship Opportunities

An event such as the Canadian Knowledge Mobilization Forum is not possible without great sponsors and partners. We thank you for your interest in making this event a reality.

This inaugural event is the pinnacle of over a decade effort to increase the benefits from research and assessed practice knowledge for Canadians. On June 19 & 20, 2012, over 120 leaders in knowledge mobilization and associated practices will join together in Ottawa. They will share the best of what has been learned to date as well as help to chart a course for the future.

As a sponsor and partner, you will be profiled on all printed materials, all electronic communications, provided with space to showcase your activities, and be introduced to other leaders and influencers in fields complementary to your core mission.

The top 3 levels of sponsorship will also be provided with an opportunity to introduce their work to the audience and large banners with their organization or corporate logo will be placed in a prominent viewing location.
